Okay, you've got to know this tiny part – Not only did SV have to fight NV, they also have to fight the Vietcong – a group residing in SV that fought for the NV. Remember...everyone pretty much looks the same...even the civilians (the innocent) look the same. How do you fight that? *Just think...Don't write here.*

7. Why didn't Johnson run for another presidential term?
8. Who was the top US Commander?
